## INDUSTRIAL STRENGTH

- PTFE coatings provide superior, non-yellowing Shatterproof protection.
- We supply shatterproof protection to meet your specifications and preferences. On G.E., Osram / Sylvania, Phillips, Venture, and all other major bulb manufactures.
- We manufacture a full line of Shatterproof lighting that meets USDA, FDA, and OSHA regulations.
- GSS can supply any size order from 1 case to a truckload. Our manufacturing process is setup to produce and ship your compact fluorescent lamp order in 8 days or less.
- Shatterproof lighting can be used almost anywhere: Home, Office, Schools, Hotels, Motels, Hospitals, Healthcare Facilities, Theaters, Museums, Government Buildings, Galleries.
- GSS offers more lamp sizes: 175, 250, 400 and 1000 Watts.
